

Environmental Policy Statement

Major Inc. recognizes and believes environmental management is one of our highest priorities. All aspects of our business are conducted with this as the forefront.

Top Management firmly believes in, and is committed to monitoring and improving our environmental performance. Through a documented and maintained Environmental Management System, we proactively prevent, control and improve our environmental aspects; thus protect the health and safety of our employees and community, as well as the environment.

We are committed to:

- Protecting the environment,
- Prevention of Pollution,
- Conservation of Energy,
- Resource Conservation and Recycling,
- Hazardous Material Reduction and Recycling,
- Complying with USA laws and regulations, and
- Continual Improvement to enhance environmental performance.

This policy is made public to all interested parties, internal and external to the organization. All employees are aware of this policy and are expected to incorporate sound health, safety, and environmental practices in the conduct of their jobs.
